

# THE WALNUT WAY

Walnut Hills

United Methodist Church

## A - Acts of Service Children

**GOAL** - To help other people.

### **THINGS TO REMEMBER**

- Sometimes to help people we have to do 2 things:
  1. Go to them to help them.
  2. Help make some things different so their lives are not so difficult.
- We don't help people just because we feel sorry for them; we help them because Jesus wants us to help them and it helps make us better people.
- Walnut Hills wants each of us to help others.

### **STEPS TOWARD THE GOAL**

- Talk to my parents about how we can help others as a family.
- Help my family members without being asked.
- Ask my teachers in church and in school if there are ways I can be more helpful to them or to someone else.
- Help treat the earth with love - God gave it to us for our home.
