

THE WALNUT WAY

Walnut Hills
United Methodist Church

T - Tithing Children

GOAL - Put your money into 10 even piles - give one pile away.

THINGS TO REMEMBER

- God wants you to have everything you need to have a wonderful life.
- The Bible teaches us to give away one-tenth of our money to others.
- It's a lot of fun to plan how to give to other people who are in need.

STEPS TOWARD THE GOAL

- With your parents, figure out how much money you receive each week from allowance and other jobs.
- How would you feel about giving one-tenth of that money to the church or to other groups that help people?
- Talk with your parents about how they decide how much of their money to give to others.
- What changes would you have to make so that you could give more of your money to others as God asks?
