

# THE WALNUT WAY

Walnut Hills  
United Methodist Church

## U - Unfolding Spirit Children

**GOAL** - Find ways to become closer to God.

### **THINGS TO REMEMBER**

- We need to take care of who we are on the inside just like we need to take care of our bodies.
- If we really want to be closer to God, we don't have to worry. God will come to us right away.
- To be close to God we need to be in church with other people and we need to be with God alone.

### **STEPS TOWARD THE GOAL**

- Take a couple minutes each day just to talk with God. Tell God how you really feel.
- In a little notebook write down what you talk with God about.
- Ask your parents how they spend time with God alone and how it is helpful for them.
