

THE WALNUT WAY

Walnut Hills United Methodist Church

L—Learning Adults and Youth

GOAL – Participate actively in an ongoing class, study or group to enhance your understanding of your faith journey.

THINGS TO REMEMBER

- Our spiritual journeys require both our hearts and our minds.
- Spiritually ignorant people often contribute to danger in our world.
- Fundamentalism in any religion is a refusal to grow, learn and think using the wonderfully complex minds God has given us.
- Learning about a loving God may be simple, but it is never simplistic.

STEPS TOWARD THE GOAL

- Attend an existing Christian Learning Time class on Sunday mornings.
- Join one of the Walnut Hills small groups that have learning as their main purpose.
- Join a *Disciple* group – Doug or Pam have the details.
- Enter the School for Lay Ministry – contact Avon Crawford for details.
- Do an independent study related to your own spiritual journey – contact any of our pastors.
- Help create new groups for learning and discussion.
