## L - Learning Children

**GOAL** - Go every week if possible to Christian Learning Time on Sundays and Wednesday Night Alive on Wednesdays.

### THINGS TO REMEMBER

- God wants me to use my mind to think about what God wants me to be and to do.
- There are many wonderful things to learn about being a child of God.
- When we decide to stop learning about God we decide to ignore a gift God is giving us.

### STEPS TOWARD THE GOAL

- Go to Christian Learning Time every Sunday that my parents are willing to bring me.
- Go to Wednesday Night Alive, Vacation Bible School and other special learning times.
- Talk with my parents about how they are learning about God.
- Ask Pam any questions I might have about ways I can learn even more.
